Hour of Code (Primary School)

For girls and boys **aged 8-11**
Every Monday afternoon from 4:00-5:30pm
Starting on the 24th January 2022 and running weekly until 28th February 2022
Online
No previous experience in coding is needed
Join us for this hour of creativity and coding using Scratch and other exciting platforms to code your own animations, games and stories - each week we will have a new theme for you to explore with help from some coding experts!
