

Review

Read a book and then prepare to give a review of your book in show and tell.
We can't wait to hear your recommendations!

Learn a Skill

Try a new skill- it could be baking, tying laces, art, folding clothes, coding, whatever you would like! Set yourself a goal and tell us when you achieve your goal.

Times Tables

Use this link to practise your times tables. Can you make up your own times table dance?

<https://www.bbc.co.uk/teach/supermodels/times-table-collection/z4vv6v4>

Money

Practise calculating change with this activity below.

<https://natwest.mymoneysense.com/students/students-5-8/the-change-game/>

Design

Design a robot which will clean up the plastic in our oceans. Bring your design in and explain it to the class.

COP 26

Find 3 small changes you could make to look after our world. Challenge yourself to make these changes for a week.

Sumdog

Challenge yourself in maths and spelling with Sumdog. Ask your teacher if you have lost your Sumdog login.

Poetry Writing

Create a poem to raise awareness about the problem with plastic. Perform it to the class during show and tell.

Acts of Kindness!

Challenge yourself to complete an Act of Kindness each day for a week. How does it make you feel when you are kind to others?

Handwriting

Use lined paper (ask us for some) and practise making your handwriting the correct size. Lower case letters should take up half the line space unless they have a tall back. Copy something out to practise and bring it in to show us.

Spelling

Practise your spelling words which are on the slide below. You should know which sound you are learning!!

Literacy

Watch a Newsround about COP26 and write a summary of one of the stories in the programme.
Extension: Research the story you have summarised. What else can you find out?

Reading

Try to read for 10 minutes or more every day. Find a cosy place with no distractions. If you would like to borrow a book then please ask your teacher.

HWB

Have a paper plane building competition with someone you live with. Who can build a plane that flies furthest, measure how far each plane travels to see who wins.
