

## Term Ahead: January 2024 - Primary 4A and 4B

141k

## Dear Families,

We hope everyone had a chance to relax during the holiday. Even so, tiredness and feeling poorly seem to be the general way of things as is usually the case at this time of year. Hopefully the lengthening days and some sunshine will help, even if it feels very cold!

Below is a brief outline of our intended learning, our spelling patterns and some home learning should you wish to enjoy further linked activities. There will be an opportunity for you to come into school and work with the children towards the end of term – please save the date which is below.

	d Rachel Wyllie (Class Teachers)
Literacy and English	Numeracy and Mathematics
<b>Reading:</b> comprehension skills – answering questions	<b>Number</b> : addition methods continued – number
where the answer is there but also those requiring a	lines, column addition (remembering the
personal idea in relation to the text; inference – reading	importance of place value within 3 and 4 digit
between the lines eg. knowing it is a cold winter's day	numbers and using money with a decimal point);
• •	subtraction methods – number lines, column
because of the character's clothing and red nose or	
because of frozen puddles and bare trees.	subtraction with exchange; simple fractions
Writing: persuasive letters and leaflets; using persuasive	revision from P3 – halves and quarters, moving onto thirds, fifths and tenths.
language such as rhetorical questions and emotion;	
starting sentences in different ways; understanding the	Maths: telling the time on an analogue clock,
paragraphs hold information around a theme;	working out how long things have taken between
continuing the push on neat, joined handwriting using	two times; money, buying multiple items, finding
lower case letters and making capital letters clear.	change.
Spelling, Grammar, Punctuation: see spelling planner;	Techniques/skills: checking back to see if answers
commas for simple clauses; capital letters for names;	make sense according to what we know
imperative verbs, emotive adjectives, conjunctions to	At home: telling the time on analogue and digital
join two ideas in one sentence, different ways to open	clocks, knowing and reading the times that things
a sentence.	happen and how long they take; coins, finding
At home: Daily reading to and with your child, even if	change, working out the cost of a few items.
they can read by themselves, is hugely important.	
<u>Please try to find 10 minutes to listen and/or read to</u>	
them.
