Primary 3

Term 2

Below is a selection of activities that can be worked on individually, by your child, or together as a family. They can share their work with their class if they wish.

Reading

Please encourage your child to read for pleasure and/or purpose. It doesn't always have to be a book - it can be a magazine, instructions for a game or how to build something, a shopping list or ingredients for a recipe. The options are endless!

Home Learning

Expressive Arts

This is an exciting term in P3 as we will be learning, practicing, and performing our show!

We will be sending home scripts and song lyrics for children to learn and practice, please spend some time rehearsing. Can you perform the songs to any family members? Can you teach them the songs?

Writing

Choose a character from your favorite book or TV show and write a description about them using good describing words. Try to join your sentences with connectives and remember your capital letters and full stops.

Get outdoors!

Have a look at the attached 'month of outdoors' calendar, choose an activity (maybe more!) and enjoy some family & friends time outdoors.

Maths

Show it 4 ways!

Can you pick any 2-digit number and show it 4 ways?

Challenge: can you 'show it 4 ways' with a 3-digit number?

see example on next page
