

Research

Find out all about an animal from The Wild Robot. There are lots of native American animals in this story. Can you draw it in a food chain? Can you describe how it has adapted to survive?

Making

Can you make a model of Roz the robot with at least one moving part? Think about the devices we have looked at in class. You could use junk, Lego, cardboard or anything you have at home.

3D Shape

Hunt for things that have different 3D shapes in and around your home. Make a list of things that are cuboids, cylinders, triangular prisms, cones, spheres and pyramids. Can you find any other shapes? Can you make the shapes?

Number

Write some Wild robot themed word problems using + and -

Handwriting

Keep practising your handwriting. Focus on letters that ascend and descend:

b d f g h j k l
p t y

Remember finger spaces.

French

Practise your French colours. Make a poster to display the colours in French. Maybe it will be a rainbow or animals or ice-creams!

Spelling

Practise the words on the spelling planner attached and see if you can add any more that follow the pattern. Write them out and practise your handwriting at the same time and put them on your bedroom wall to help you remember.

Times Tables

Use this link to practise your times tables. This term we are focusing on 4 and 8 times tables.

www.timestables.co.uk

Time

Learn the months of the year in order and how to spell them all. Do you know your birthday and how to write it? Find out the birthdays of all your family and write them in the long and short way.

Reading

Try to read for a few minutes before you go to sleep each night. Make it a part of your bedtime routine. You could even read out loud to a cuddly toy.

Quiz

Create a quiz for the class on a topic you feel passionately about. Remember to use question marks.

ART

Autumn is a great time to take inspiration from nature for some great art. Can you create a rainbow of leaves, do some leaf rubbings with wax crayons, or use your fingertips and paint to create a tree using autumnal colours.

Grammar

Try creating an alphabet of adjectives. Don't use easy words you already know but try using a thesaurus to expand your vocabulary. For example:
A - Awesome
B - Breathtaking

Design

Design a new foot for Roz.

You need to think about

- How to make it durable
- How to make it grip the ground
- How to fix it to her leg
- How to make it look good
