

### Review

Read a book and then prepare to give a review of your book in show and tell. We can't wait to hear your recommendations!

### Making

Use an old shoe box to create something interesting. It might be a treasure box or a home for a toy. Bring it in to show and explain how you did it.

### Times Tables

Use this link to practise your times tables

<https://www.topmarks.co.uk/maths-games/daily10>

### Double and Halves

Use the link below to build your confidence with these

<https://www.topmarks.co.uk/maths-games/hit-the-button>

### Design

Design a new front cover for our topic book The Iron Man.

### Imagine

If you could have a superpower like the Iron Man what would it be and why? Draw a picture and write an explanation.

### Dinner Time!

Get involved with the family meal. Ask if you can help prepare dinner, set the table or plan the menu.

### Diary Writing

Pretend you are the Iron Man and write a diary entry for a day in the story. Remember to write in the past tense.

### Chores Challenge!

Make a list of 3 new things you could learn to do, to help at home. Carry them out for a whole week and feel proud!

### Handwriting

Use lined paper (you can get some from school) and practise getting your handwriting the correct size. Your lower case letters should take up half the line space. You could copy out a poem or the lyrics of your favourite song.

### Spelling

We are practising words with 'ck' 'all' 'nk' and 'y' endings. Can you make a collection of words containing these? How many can you find?

### Spelling

We are practising the vowel diagraphs 'ee' and 'ea' that we find in the middle of a word. They sound the same but are spelt differently. Can you make 2 lists of words containing these sounds?

### Reading

Try to read for a few minutes or more every day. Find a cosy place with no distractions. If you would like to borrow a book then please ask the teacher.

### Science

Use a magnet and investigate what is magnetic in and around your home and of what it is made.
