Primary 4: Term 2 Home Learning

Autumn Art

Autumn is a great time to take inspiration from nature for art.

1. Create a rainbow of leaves.
2. Use sticks and leaves to create an animal.
3. Place leaves on a sunny window and trace their shadows onto paper, then colour them in.
4. Complete an observational drawing of a leaf in great detail.

Music Around the World

This term, you will be learning about music around the world. Complete some of the tasks below based on what you've learned.

- World playlist: Create a playlist using traditional songs from at least 3 different countries.
- Instrument: draw and label a unique global instrument (e.g the djembe, sitar, shamisen,bagpipes)
- Create a dance to music from another country

Health and Wellbeing:

Be Resilient

Think about someone that inspires you – perhaps a parent, your class teacher, grandma or a neighbour (or a character from a book or film, or someone famous). Find out about a time they found challenging and what they did to overcome it. What things did they do to help them cope?

Create a poster with the ideas you come up with.

Writing – Super Sentences

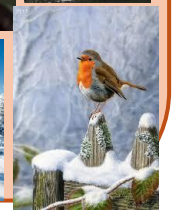

Write a 'boring' sentence with no description or extra information. Then be the teacher and uplevel your sentence by adding: **adjectives, adverbs and conjunctions by linking more ideas.**

Challenge: Rewrite your sentence as a question using a question mark (?)

Ideas to write about:

Money

- Coin rubbing: Place real coins (1p, 2p, 5p, 10p etc.) under a piece of paper and rub over them with a crayon to make coin prints. Match the rubbed shape to the actual coin and name its value
- Piggy Bank Drop: Drop coins one by one into a jar or money box. Count aloud together as each coin goes in.
- Shopping: Set up a pretend shop using small household items or toys marked with price tags. Give your child a small amount of change to "buy" items and work out what they can afford.
- Play Space Shoppers (KS1 Bitesize website) to practice calculating change.

Spelling

Practice the words on the spelling planner attached.

Write them out and practice your handwriting at the same time.

You could even think of other words which follow each spelling rule! Use Blue Vowels, syllable colours, upper and lower case and silly sentences to practice your words.

Digital Numeracy

If you have a device at home, use Sumdog and top marks to practice numeracy we are learning

https://sumdog.com/user/sign_in

Addition and Subtraction Games

Reading

Try to read a little bit every day. Read to aloud to a cuddly toy or take it in turns to read with someone.
