

Home Learning

Primary 3

Term 2

Below is a selection of activities that can be worked on individually, by your child, or together as a family. They can share their work with their class if they wish.

Reading

Please encourage your child to read for pleasure and/or purpose. It doesn't always have to be a book - it can be a magazine, instructions for a game or how to build something, a shopping list or ingredients for a recipe. The options are endless!

Home Learning

Expressive Arts

This is an exciting term in P3 as we will be learning, practicing and performing our nativity!

We will be sending home scripts and song lyrics for children to learn and practice, please spend some time rehearsing. Can you perform the songs to any family members? Can you teach them the songs?

Writing

Choose a character from your favorite book or TV programme and write a description about them using good describing words. Try to join your sentences with connectives and remember your capital letters and full stops.

Health and Wellbeing

Watch the following video about Danny MacAskill and think about how he uses his resilience skills.

What do you do to show resilience?

Maths

Mental Agility

Use your Sumdog login and practice the skills we have been working on in class - focus on something you are finding tricky or would really like to get better at!

Maths

Fractions

This term we are looking at fractions, you could practice by cutting fruit, pizza or even sweets into equal shares.

- Can you make a half or a quarter?
- Can you find out half or quarter of a number?

Reading

You can read e-books at home through Oxford Owl. Adults can set up a free account on <https://home.oxfordowl.co.uk/reading/reading-age-6-7-year-2/>.

Read a book at home and tell a grown up about the main part of the story.

Art

Check out the following link to the Tate Gallery, choose your favorite activity to complete!
