

Primary 7 Home Learning

Term 1

Below is a selection of activities that can be worked on individually, by your child, or together as a family. They can share their work with their class if they wish.

Reading

Please encourage your child to read for pleasure and/or purpose. It doesn't always have to be a book - it can be a magazine, instructions for a game or how to build something, a shopping list or ingredients for a recipe. The options are endless!

Literacy - Reading

In class we are completing a novel study for *Holes* by Louis Sachar. Think about what it would be like to live at Camp Green Lake, what would you find hard? Draw and label a diagram of a new setting which would be the opposite of Camp Green Lake - a **luxury** and **fun** camp to live at.

Extension - Write a descriptive paragraph using lots of ambitious adjectives to describe your new camps!

Chilli Challenge: Create a triarama for your new camp. <https://www.youtube.com/watch?v=bu80853TNw8>

MILD Numeracy Challenge

2,567 to the nearest
100 is 2,500

Whitney

Do you agree with Whitney?
Explain why.

Numeracy- Problem Solving

SPICY Numeracy Challenge

56,700 is
greater than 201,000
because 5 is greater
than 2

Explain the mistake that Tiny has made.

HOT Numeracy Challenge

Use some of the digit cards and the clues to work out the number.

- The ten-thousands and hundreds columns have the same digit.
- The hundred-thousands digit is double the tens digit.
- The number has six digits.
- The number is less than six hundred and fifty-five thousand.

Find as many possible solutions, giving your answers in words and numerals.

Health and Wellbeing

With your family, make a list of things you would like to achieve before leaving Balgreen Primary School next year. This could be personal development targets such as working on your communication and teamwork, academic targets such as learning your times tables or improving punctuation in your writing or something else such as developing a sporting skill, spending less time on devices or taking responsibility for something around the house.

Numeracy- Mental Maths

Develop your speed and accuracy using the maths games below:

-Sumdog

- Daily 10 <https://www.topmarks.co.uk/maths-games/daily10>

Or design a game which helps your practice one of the 4 maths operations (addition, subtraction, division, multiplication).

Topic

There are lots of things happening all over the world and it is important that we are aware of this. Find a story in Newsround and research more about it online. Create your own newspaper article/ fact file all about the story you have been researching. This should include main facts, summary of the story, possible statistics, an image and sub-headings.

Spelling/Writing

Practise your spelling words below. Choose between Mild, Spicy and Hot depending on your spelling confidence.

Challenge: Write a story/diary entry/letter using at least 10 of your spelling words. Make sure you underline them!

Spelling Term 1
